RE: Review of Avondale Mills, Incorporated's Rates  
Approved in Order No. 2009-394  
Docket No. 2009-342-WS

Dear Mr. Terreni:

Enclosed please find the following which I herewith move to admit into the record as a late filed exhibit.

- 1) Waterworks Asset Purchase Agreement between Avondale Mills, Inc. and Valley Public Service Authority dated October 28, 2009;
- 2) Spreadsheet Reflecting Billing and collection Summary as of October 28, 2009, for Avondale Mills, Inc.; and
- 3) Correspondence dated November 6, 2009, from Avondale Mills, Inc. to its water and sewer customers concerning payment of delinquent bills.

As you can see from the attached, Avondale Mills, Inc. has entered into an agreement with Valley Public Service Authority for the transfer of Avondale's water system.

The enclosed spreadsheet reflects that Avondale Mills, Inc. has collected payment of 78.4% of its July water and sewer bills. Further, Avondale Mills, Inc. has collected payment of 71.52% of its August water and sewer bills.

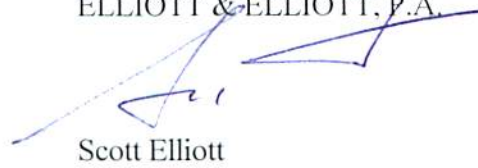

Last, as can be seen from the correspondence to its customers dated November 6, 2009, Avondale has set out the schedule for payment of all outstanding amounts now due by virtue of the Supreme Court order vacating the Circuit Court's Order in Michael Hunt et al v. Avondale Mills, Inc. and South Carolina Public Service Commission.
